## Help Your Pet Be A Good Guest

Pets are welcome! \$3 fee per pet/night/site. Campgrounds can be busy, unfamiliar and even sometimes overwhelming places for dogs and other pets. Please follow these basic property rules regarding pets.

The 6-foot leash rule applies to the entire property and to all pets. The only time your pet may be off the leash is inside your camper, tent or vehicle. If it is not possible to keep your pet on a 6-foot leash, the best and safest option is for your pet to stay at home.

Please pick up after your pet. Animal waste can contain parasites. Buy waste bags at your pet store or bring plastic grocery bags. Before leaving, when cleaning your campsite, remove all pet waste and place the bags in the campground dumpster. Double bagging is helpful.

Campground quiet hours (10 p.m. – 7 a.m.) apply to all guests, including pets. If your dog barks excessively at your campsite, particularly during quiet hours, we may ask that you take your pet home.

Parks are not the place for territorial pets. If your pet is highly dominant or aggressive, please leave your animal at home in familiar territory.

When you go exploring, please take your pet with you. Keep your pet with you at all times. Do not leave your pet tied up at a campsite or locked in a car.

Make sure your pet's vaccinations are up-to-date.
